

March 2021

Dear {Business Owner/Hockey Lover/Neighbor/Friend},

Thank you for your interest in sponsoring Tribal Hockey NW.

Tribal Hockey NW is a non-profit organization dedicated to youth hockey development in Greater Seattle. Our success in delivering a great hockey experience to young athletes is enhanced by partnering with local organizations and individuals who share our common goal of youth hockey development.

This year we are offering sponsorship opportunities for Tribal Hockey NW, as well as for our Spring Challenge May 21-23 2021.

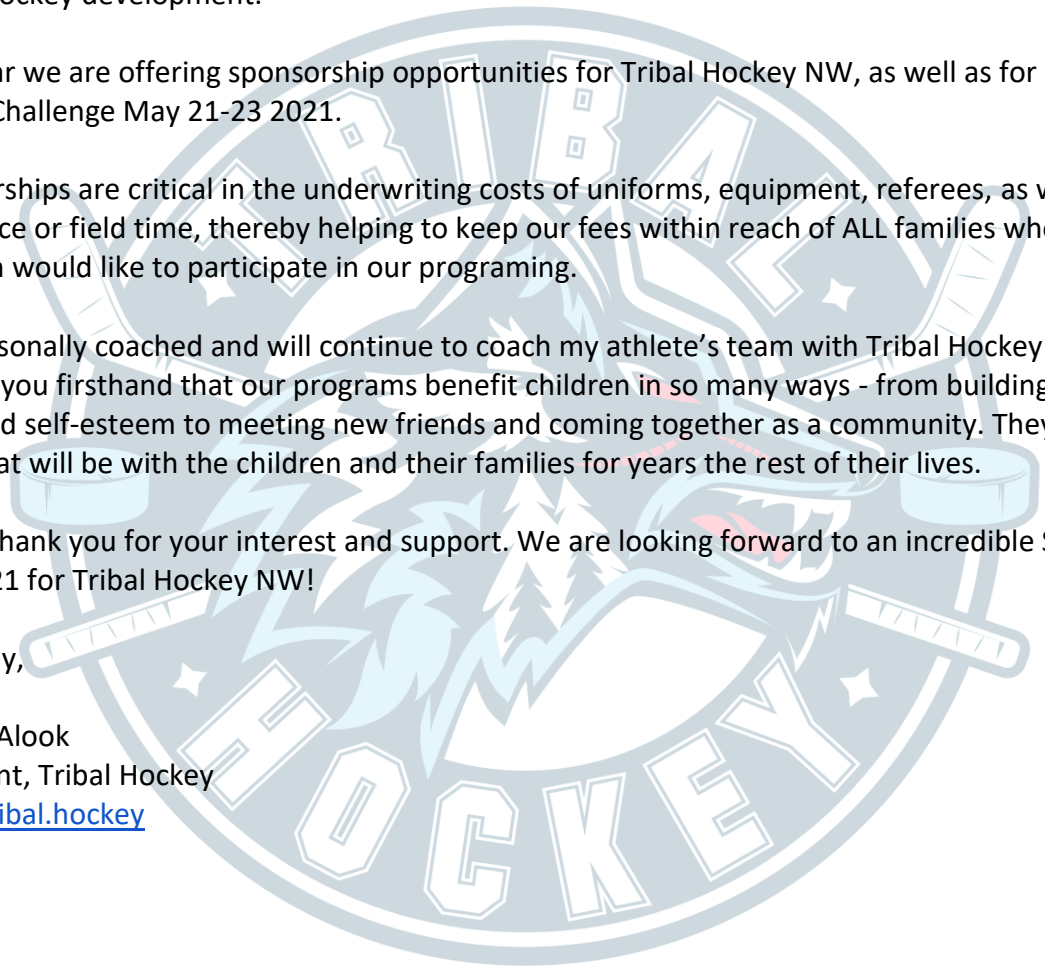

Sponsorships are critical in the underwriting costs of uniforms, equipment, referees, as well as leased ice or field time, thereby helping to keep our fees within reach of ALL families whose children would like to participate in our programming.

I've personally coached and will continue to coach my athlete's team with Tribal Hockey and can tell you firsthand that our programs benefit children in so many ways - from building basic skills and self-esteem to meeting new friends and coming together as a community. They are skills that will be with the children and their families for years the rest of their lives.

Again, thank you for your interest and support. We are looking forward to an incredible Spring and 2021 for Tribal Hockey NW!

Sincerely,

Deejay Alook
President, Tribal Hockey

Tribal Hockey NW Sponsorship Opportunities

Tribal Hockey Program - Key Sponsor (1 available \$7,200)

The uniform sponsor will have logo recognition on Tribal Hockey 2021 jerseys. This sponsorship will help offset the equipment expense for our families and ensure they have a uniform they can wear proudly! Logo will be printed directly on the jersey. We anticipate roughly 60 players will wear the uniforms this year to several events and all our practices. We can guarantee a minimum of 12 months of us sporting the uniform. Will include a jersey signed by the Tribal family with the number of the sponsor's choice!
